

JOIN THE OFFICE OF INTERNATIONAL PROGRAMS in the College of Education for an enriching learning experience at Lehigh University, a nationally ranked research institution. Engage with international educators, expand your knowledge base and grow as a professional school leader.

EDUCATIONAL LEADERSHIP

Our program develops effective leaders for high-quality elementary and secondary education in international schools. The program focuses on the cognitive and affective development of educators utilizing technology, and encouraging managerial and interpersonal skills.

Mark your Calendar!

SUMMER INSTITUTE DATES:

Orientation: June 23, 2011

Session I: June 24 – July 2, 2011

Session II: July 6 – July 14, 2011

Session III: July 17 – July 25, 2011

INTERNATIONAL COUNSELING

This program prepares students to function in professional roles which include the school, the community, and the family. A successful graduate may be employed as a counselor in elementary, middle and secondary schools; community mental health agencies and hospitals.
